---

### DIRECTIONS FOR USE

---

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This recommendation must be in the possession of the user at the time of pesticide application.

Refer to the container label for Precautionary statements and Directions for use including First Aid and Storage and Disposal.

Treatment protocols designed for control of common elodea (*E. canadensis*) are appropriate for control of *E. nuttallii*. Consult the Sonar H4C label for full directions, including application sites and rates.
